Magill Campus Cafeteria

So you've heard about Linux and you want to try it out, but you're not sure how to get started. No problem. Bring your computer along to the LinuxSA Installfest 2001 by AUUG and we'll help you install the Linux distribution of your choice or FreeBSD. We'll even give you a free copy of your chosen distribution. If you're planning to come along please register at the web site below.
